Sixteenth Edition  
2010-2011

New York's first family of tour guides operates **Levy's Unique New York** (718/287-6177 or 877/NYC-LUNY; [www.levysuniqueny.com](http://www.levysuniqueny.com)). The clan, led by dad Mark, conducts educational and enlightening outings that are thoroughly entertaining and sometimes zany! Most popular is the half-day City Highlights tour. Other excursions are New York by Land and Sea, Bohemians and Beatniks of Greenwich Village, and Ethnic Eats—Nibbles and Noshes. There's even a narrated stroll across the Brooklyn Bridge. Tour times and costs vary; custom tours are available.
